

ORGANIZATION OF FISH AND WILDLIFE INFORMATION MANAGERS

OFWIM 2023 Conference and Annual Meeting to be held at Hilton Fort Collins, 425 West Prospect Rd, Fort Collins, CO, October 2 – 5, 2023

STUDENT RESEARCH SCHOLARSHIP AWARD FOR LOCAL STUDENTS

Purpose: The Organization of Fish and Wildlife Information Managers (OFWIM) Student Research Scholarship recognizes academic and professional excellence among students enrolled full-time in fisheries and wildlife-related curricula at an accredited college or university, with research or studies emphasizing wildlife information management and/or geographic information systems (GIS). This scholarship award supports student research as well as attendance at the OFWIM Conference and Annual meeting. To learn more about OFWIM, visit the web site (<http://www.ofwim.org>).

Criteria:

1. The Award will be awarded to two undergraduate or graduate students who are local to the conference and working towards a program, such as a Bachelor's degree, Graduate Certificate Program, Master's degree or PhD. Membership in OFWIM is not required for eligibility.
2. The Elections, Nominations, and Awards Committee will award the scholarship based on the following criteria:

Quality of Applicant

- Academic background suitable for project
- Academic opportunities the student has engaged
- Motivation: sincere curiosity and interest in topic or research experience
- Faculty advisor's assessment of the student's performance and potential
- Has promise of future professional involvement and significant contribution toward the field of fish and wildlife-related information management or technology

Quality of Research Project

- Student's level of participation in the research
- Student's effort, commitment, and enthusiasm for the project
- Project contains significant elements of advancement of fish and wildlife information management processes, or introduces new technology for such, or new uses of existing technology.
- Project may be part of an ongoing thesis/dissertation, but student must be able to demonstrate significant progress of the project during the year the scholarship is in effect, if awarded.

The award recipient must present a formal paper on the research project prospectus during the **OFWIM 2023 Conference and Annual Meeting will be held at Hilton Fort Collins, CO, October 2 – 5, 2023.**

The recipient must also present a formal paper on the research project results or significant progress during the following year's **OFWIM 2024 Conference and Annual Meeting to be held the first week of October 2024.**

Application Procedure:

3. Any qualified student may apply for the scholarship by completing the Student Application Form, Part I (attached). The student's faculty advisor must verify the accuracy of all information provided in Part I. In addition, the faculty advisor must complete and sign Part II of the application.
4. The completed and signed application form (Parts I and II) must be received by the Committee Chair on or before the deadline – **August 25, 2023.**
5. The scholarship will be available on an annual basis.

Scholarship Award:

6. The successful recipients of the scholarship will be eligible for a \$1000 scholarship toward the research project, awarded as 2 - \$500 awards, the first to be presented at the **2023 Conference**, and the second upon completion of the project at the **2024 Conference.**
7. In addition, the recipients will be awarded a student conference registration fee waiver for two years and up to \$1000 conference travel reimbursement to the full conference the second year.

Organization of Fish and Wildlife Information Managers Local Student Research Scholarship Application Form

The Organization of Fish and Wildlife Information Managers (OFWIM) Student Research Scholarship program recognizes academic and professional excellence among students enrolled in fisheries and wildlife-related curricula at an accredited college or university, with research or studies emphasizing wildlife information management and/or GIS.
